Re: *Planck LLC, d/b/a Patch Media v. Particle Media, Inc., d/b/a News Break, et al.*
Case No. 20-cv-10959 (LGS)

Dear Judge Schofield:

As per the Court's Order of June 9, 2022 (Dkt. No. 100), the parties provide the following update regarding their settlement negotiations:

Following an exchange of mediation statements on July 21, 2022, representatives of the parties and counsel participated in a JAMS mediation session on July 27, 2022. While the parties did not reach a settlement during the July 27 mediation session, the discussions were productive and negotiations are continuing through the mediator up through today. Under the circumstances, the parties respectfully and jointly request that they be allowed to continue negotiating and then provide the Court with a final status letter regarding settlement negotiations in one week, on August 15, 2022. If the case is not settled by then, the parties would submit a proposed expert discovery schedule in their August 15 status letter for Your Honor's consideration.

Dated: August 8, 2022

Respectfully submitted,

/s/ Judd Burstein
